OŠ Elvire Vatovec Prade & Tadeusz Kosciuszko Primary School no. 2

A bridge of friendship over Europe

Project Newsletter – May 2023

Our local communities

Tadeusz Kosciuszko Primary School no. 2 from Slupsk and OŠ Elvire Vatovec Prade from Koper have been working closely together, as part of a joint Erasmus+ project, for over a year. Polish-Slovenian teams of students researched and compared the structure of their local communities. Two international mobilities took place. In October 2022, students and teachers from Slovenia visited Poland. In March 2023, students and teachers from Slupsk went to the beautiful region of Capodistria, where the partner school is located. Mobilities complemented our online cooperation.

This newsletter presents selected results of surveys conducted among local communities. There are also photos from the life of the project and some thoughts of project participants.

What participants say

Apel na powitanie był świetny. Uczniowie ze Słowenii bardzo się postarali. Cieszę się bo wciąż mamy kontakt.

Bila je res kul izkušnja. Užival sem. Šola na Poljskem je bila nekoliko drugačna kot pri nas. Če bi imel možnost ponovno sodelovati v programu Erasmus+, bi to zagotovo storil!
